The Three Angels' Messages: Into All The World

As I contemplate the challenges that face our world, I am encouraged by the hope we have in Jesus Christ. As I think about the difficulties that face our churches and supporting ministries, my heart is cheered by Jesus Christ. He is the answer to all the challenges that Satan can and ever will throw at us.

I want to welcome each one of you in a special way to this convention. God has opened the door for us to be here together in person, and I am so thankful. If I have learned anything in the last year and a half, it is to not take face-to-face fellowship opportunities for granted. Let us use every opportunity to fellowship and network for the purpose of mission work. Our theme, "The Three Angels' Messages: Into All the World," deserves our best energies and attention.

As we ponder the situation in our

world today, I resonate with Paul's statement in 1 Thessalonians 5:1, 2: "But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night."

The counsel we find in Ellen White's *Testimonies*, helps us to understand the priority we need to place on the task of taking the three angels' messages to the world.

"In a special sense Seventh-day Adventists have been set in the world as watchmen and light bearers. To them has been entrusted the last warning for a perishing world. On them is shining wonderful light from the word of God. They have been given a work of the most solemn import—the proclamation of the first, second, and third angels' messages. There is no other work of so great importance. They are to allow nothing else to absorb their

attention" (*Testimonies*, vol. 9, p. 19).

Welcome to ASI. Enjoy the fellowship and enjoy the seminars and presentations, but most importantly listen for the voice of the Holy Spirit. God is calling all of us to go to work for Him today.

May God bless you,
Steve Dickman

Steve has served as president of Harbert Hills Academy in Savannah, Tennessee, for the past 30 years. He also serves as the president for ASI National, and The Layman Foundation, and serves as Board Chair for Outpost Centers International. Steve and his wife, Brenda, are parents to two grown and married daughters and have the joy of having two grandsons.

<p>We love stories of missionaries, but rarely realize how dangerous mission work was in the late 19th and early 20th centuries. Men and women regularly suffered from disease and early deaths. It was their commitment which created today's worldwide church. Let us learn and gain inspiration from their sacrifice.</p>		
 <p><i>Doug Batchelor</i> is the president and speaker for Amazing Facts International Ministry and the senior pastor of the Granite Bay Hilltop Seventh-day Adventist Church in California. Doug is a man of vision and deep spirituality, yet his down-to-earth approach and spontaneous humor enable him to communicate with both Christian and secular audiences. Have you ever been in a tunnel surrounded by darkness? Perhaps you could only see a dim light at the end of the tunnel, but it seemed unreachable. There are some living in their own tunnels, looking for a way out and searching for the light. In this session, I will share my personal testimony of how Jesus brought me out of the tunnel and into His marvellous light.

Vanessa Dowdley is from Cleveland, Ohio. She has six children and 14 grandchildren. She currently lives in Alabama and works as a lifestyle counselor at Uchee Pines. In her spare time, she likes to decorate and plan weddings and events. Most importantly, she loves being a worker for the Lord.

📍 Gatlin ABC		

I built a successful international e-commerce business which I sold in 2014 as God called me into evangelism. I went on to preach 350 sermons over the next three years, leading me to join AWR in 2017. God's truth changed me . . . from the pursuit of the world, to the pursuit of Heaven.

Cami Oetman is vice president of Adventist World Radio. She began her diverse career as a model, attained a master's degree, and was a successful international business owner. Through miraculous events, she felt God calling her to evangelism. She has filmed over 100 AWR mission stories abroad. What should be our first work in serving the Lord? How can we ensure our love for God is growing and thriving while sharing His love with others? If you have lost your first love while doing ministry or want to keep that love for God growing while working for Him, this seminar is for you.

David Machado is the speaker/director of Revelation of Love Ministries. Its express purpose is to give the final message of mercy to mankind. David travels all over the world giving Bible prophecy and spiritual seminars, while also teaching at different universities on the science of soul winning.

In a time of information overload, how can you identify a conspiracy theory? In an age of untruth, how can you keep from being led astray? Soon to work with signs and lying wonders, the enemy of souls is preparing Planet Earth for the last great deception. This presentation will investigate identifying, avoiding, and stopping the spread of conspiracy theories, inside and outside the church.

John Bradshaw is the speaker/director of *It Is Written*, an international media evangelism ministry. As a teacher of Bible prophecy, his presentations have blessed thousands of people around the world. He has filmed *It Is Written* television programs on six continents.

YOUTH CLASS DESCRIPTIONS

Guest speaker for Kindergarten through Juniors: Ben Roy, The Science Guy

Nursery	Suwannee 21	Leader: Rachel Lodencamp
<p>The Nursery will be open during the seminars and evening meetings. The loving, caring staff members will be delighted to play with and look after your little ones (Ages 0-2).</p>		
Kindergarten	Suwannee 11/12	Leader: Bashanti Thavamani
<p>The three angels' messages of Revelation 14:6-12 have never been more relevant, even for children! The setting for kindergarten this year will be around the throne in heaven and the children will witness the angels being sent out with their messages to earth—to every nation, tribe, language, and people. We will explore themes of the everlasting gospel, worship, and other details of <i>The Great Controversy</i>. We will also take time to learn about the animals and land features of each continent—since these messages go to all the earth.</p>		
Primary	Suwannee 18/19/20	Leader: Sylvia Szuk
<p>As a soldier, you are only as good as the equipment you bring to battle against the enemy. Spiritual warfare is real now more than ever. Fortunately, we have the best equipment any army in history has ever known. In Ephesians 6, the Bible tells us about special armor, and about our enemy, Satan. We will learn about this armor and how it will help us proclaim the gospel fearlessly! To overcome our enemy, we need the power of the Holy Spirit, which is the driving force behind the three angels' messages. It is our desire for our young people to be one step closer to Jesus every day and have the confidence to proclaim the three angels' messages by putting on the whole armor of God!</p>		
Junior	Suwannee 13/14	Leader: Anitha Thavamani
<p>We are living in exciting times! The Bible not only tells us that Jesus is coming back, but it also gives us signs that His coming is soon. One sign is the good news of Jesus going into all the world and a powerful message from three special angels! Our exciting theme this year is "Angels on a Mission." We'll learn what the three angels' messages in Revelation 14 are all about. From fun crafts to great team-based challenges, discover the special message we are called to share. We'll also learn inspiring lessons from guest speakers and real-life missionaries. Get ready for lots of fun! This will be an experience you will not want to miss, so bring your friends and join us on this exciting adventure!</p>		
Earliteen	Suwannee 15	Leader: Christian de los Santos
<p>Have you ever seen a picture, read a quote, or watched a video on a spiritual topic that inspired you so much you had to share it? On the flip side, have you ever watched a video so dull, you struggled to get through it? It's hard to share something you're not passionate about, or that has not made your life better in some way. Jesus told His disciples to proclaim the gospel to the entire world. That either sounds like an exciting mission or a total drudgery, depending on your view of God. We live in a world where God is labeled as strict, boring, and inconsiderate to human needs. Is that really Him? Is that who we are supposed to proclaim? Join us as we ask tough questions and dig for solid answers. Through fun, dynamic activities and Bible study, we will explore the right picture of God and learn how to proclaim it to the world.</p>

ASI SPECIAL OFFERING PROJECTS

The ASI Missions, Inc. Board has selected 28 projects to receive grants from the offering gathered at the 2021 ASI International Convention, with an offering goal of \$1,010,000. All combined, the projects represent a significant worldwide impact. Online donations are accepted toward this year’s offering and previous years’ pledges. Each project will receive the designated amount, however, in the unlikely event that any of the listed projects do not progress within a reasonable time, as determined by ASI at its discretion, ASI may redirect the funds from the failed project to another ASI-approved project. Below are the organizations, along with descriptions and planned use of project funds.

1	ASI Picture Rolls	\$75,000
<p>ASI Picture Rolls have proven to be a very effective way to share the gospel in areas that do not have reliable electricity. The 26 illustrated sermons captivate the attention of young and old, drawing them to Jesus and helping them make decisions to be part of God’s last-day remnant church, the Seventh-day Adventist Church. Funds will go toward the printing and distribution of more ASI Picture Rolls and manuals for evangelism.</p>		
2	ASI New Beginnings Evangelistic Series/Bible Study Guides for Kids	\$50,000
<p>Funds will go toward creating a New Beginnings series for kids. The New Beginnings for Kids evangelistic package will complement the one for adults. This series, with new 4k graphics, will be based on the successful Truth for Youth program from Young Disciples ministry. Funds will be used to revise scripts, update graphics, pay for licensing of images and songs, and create a video training series for the 3AM Call website.</p>		
3	ASAP Ministries	\$45,000
<p>ASAP appreciates the partnership with ASI in providing picture rolls for ASAP teachers, church planters, and medical missionaries in Southeast Asia. The picture roll manuals have been translated into the Khmer, Thai, Lao, Hmong, Vietnamese, Burmese, and Karen languages. These printed materials have been delivered to Southeast Asia and some of the Cambodian teachers who have received training are successfully using them in their classrooms. Funds will go toward training teachers, church planters, and medical missionaries in picture roll evangelism in Thailand, Cambodia, Laos, and Myanmar.</p>		
4	ASI Youth for Jesus/LIFE	\$150,000
<p>Funds will go toward continuing a trajectory of successful youth evangelism training by ASI Youth for Jesus. Youth for Jesus will take place in Orlando, Florida, the city where the 2022 ASI Convention is scheduled to be held. The four-week, hands-on evangelism field school involves youth, ages 15 and older, in all areas of evangelism.</p>		
5	Asian Aid/Child Impact International	\$15,000
<p>The Child Impact School for the Blind in Bobbili, India is in need of updated technology! Their computer system is over eight years old and their braille printer is out of date. With many new programs available for the blind, it is critical that students learn the correct technology to prepare them for work. An upgrade is also required to meet government standards. Project funds will help cover the cost of computers, a laser printer, a braille printer, programs for the sight-impaired, plus equipment installation and training for the staff.</p>		

<p>6 Belgrade Theological Seminary</p>	<p>\$10,000</p>
<p>In cooperation with the South-East European Union Conference and ASI Serbia, Belgrade Theological Seminary plans to launch <i>The Great Controversy</i> project. This project has the goal of gifting as many copies of <i>The Great Controversy</i> in Serbian as possible. Project funds will go toward supplying low-cost Great Controversy books to church members for free distribution in Serbia.</p>	
<p>7 Ellen G. White Estate</p>	<p>\$30,000</p>
<p>The digital presence of the White Estate has continued to grow steadily throughout 2020, due in part to the availability of translations of Ellen White’s books in many different languages. In 2020, our websites and apps reached 48 million visitors for the year, doubling the previous year’s total number of visitors. Grant funds will go toward continuing the multi-year project of digitizing all official translations of Ellen White’s books in all available languages and making them freely available via websites and apps.</p>	
<p>8 Farm Stew International</p>	<p>\$50,000</p>
<p>FARM STEW South Sudan (FS-SS) has been operating since 2018 due to the personal invitation of the Seventh-day Adventist Church president in South Sudan, Pastor Clement Arkanelo Mawa. In the fourth quarter of 2020, the FS-SS Training coordinator conducted four significant Seventh-day Adventist Church outreach efforts across the country, including in Wau, Malakal, and two other South Sudan locations. Grant funds will go toward helping cover the costs of developing two Farm Stew teams for Wau and Malakal to provide training, high-quality seeds and tools, and more to prepare them for the approaching farming season. Additionally, Farmer Field Schools and cooperatives would provide hands-on training and better marketing for products and cooperative buying of seeds and other items needed for the farm season.</p>	
<p>9 Impact Hope</p>	<p>\$40,000</p>
<p>Impact Hope has run three successful Holiday Vocational Training Programs to enable sponsored Congolese refugee students to stay at school during holidays and to provide livelihood training. The next training session will begin in August, 2021. Impact Hope plans for 500-600 students to attend. Each student will choose one vocational area from those offered: plumbing/electrical/maintenance, permaculture/agriculture, sewing/tailoring, culinary arts, and hairdressing. Supplemental vocational education during holidays keeps students on track and thus contributes to sustaining these Seventh-day Adventist boarding schools. Grant funds will go toward vocational training.</p>	
<p>10 ISEI Education Association</p>	<p>18,000</p>
<p>ISEI’s mission is to assist with the development, improvement, and propagation of schools around the world operated by professional lay-members of the Seventh-day Adventist Church. Grant funds will go toward expanding ISEI’s ministry influence to include support of self-supporting secondary and elementary educational ministries based outside of the United States.</p>	
<p>11 Lay Institute for Global Health Training (LIGHT)</p>	<p>\$150,000</p>
<p>LIGHT continues to train thousands of church members in a knowledge of our health and gospel message and in community health outreach. This training is needed now more than ever with the current global health crisis. Grant funds will go toward supporting LIGHT’s growing team of over 60 teachers located around the world conducting training courses throughout the year, and online. Funds will be used to provide basic training materials needed to conduct our courses and community outreach and to find interested church members from Kazakhstan, Tajikistan, Uzbekistan, Kyrgyzstan, and Turkmenistan and train them at our new LIGHT training center in Kazakhstan.</p>	

12	Logos TV	\$10,000
<p>“The Bible Reveals” is a thirty-episode TV series designed to attract and keep the attention of a wide audience, especially youth. “The Bible Reveals” helps viewers see the scientific evidence that gives unquestionable authority to the Bible. This evidence will strongly encourage people to decide to follow the Bible as a rule for their life and accept other biblical truths. Grant funds will be used to financially support this video production and to translate it from Spanish (original language) to English, Russian, and Chinese.</p>		
13	Loma Linda Campestre	\$22,000
<p>As soon as construction is complete for Loma Linda Campestre’s water plant, our ministry will need a vehicle to deliver the water to the surrounding communities, homes, and local supermarkets. Grant funds will go toward purchasing a delivery truck for the new fresh water bottling facility.</p>		
14	Maranatha z.s.	\$25,000
<p>Youth for Jesus (YFJ) 2021 Czech Republic is more than a month-long youth-led evangelism program in the city of Plzeň. YFJ is a part of the big evangelism project, “Touch the Heaven.” YFJ Czech Republic will help activate local churches to evangelism while training and equipping local youth for joyful and life-long ministry for the Lord.</p>		
15	One Day Church Project	\$75,000
<p>The One Day Church Projects, Inc. is a non-profit charitable organization. Funds will go toward the construction of One Day Greenhouse structures at SDA self-supporting schools in the United States.</p>		
16	Outpost Centers International Educational Assistance Plan	\$25,000
<p>The Educational Assistance Plan (EAP) is an ongoing ASI project started more than 20 years ago and managed by Outpost Centers International (OCI). Its purpose is to help mission-minded students and children of OCI staff to further their education. Once these students finish studying, they are encouraged to work with an OCI ministry. Funds will go toward providing EAP stipends for overseas missionaries or their children.</p>		
17	Outpost Centers International Missionary Assistance Program	\$100,000
<p>The Missionary Assistance Plan (MAP) was developed in the mid-1990s to provide supplemental support for OCI’s long-term missionaries from developed countries who serve in undeveloped countries. Grant funds will go toward providing financial support for long-term missionaries who typically serve at the same stipend/ wages as national workers. MAP assistance provides cash for return airfare and emergency needs.</p>		
18	Peru Projects	\$20,000
<p>Grant funds will go toward building a vocational missionary school in the Peruvian jungle for 11-to-18 year-olds. The purpose of the school will be to restore the image of God in the young people of the Peruvian jungle through an academic-missionary program that promotes the harmonious development of the physical, mental, and spiritual faculties.</p>		

19	Riverside Farm Institute	\$25,000
<p>Grant funds will go toward supplying Riverside Farm Institute’s new secondary school with practical training equipment such as computers, microscopes, woodworking tools, and sewing machines.</p>		
20	SALT Outreach Inc.	\$15,000
<p>SALT Outreach has a goal to build tiny homes for those needing housing. This effort will be combined with an evangelistic component to win individuals to Christ. To begin, Salt Outreach plans to convert a 50-foot shipping container into a duplex. Funds will go toward purchasing land and a shipping container to be adapted into a tiny house duplex as a model for future homeless housing and evangelism.</p>		
21	Southwestern Adventist University	\$20,000
<p>For over 20 years, Southwestern Adventist University’s (SWAU) Dinosaur Science Museum and Research Center in Keene, Texas, has been conducting a dinosaur excavation research project in the Lance Formation of eastern Wyoming. This amazing site has produced over 30,000 fossils and has allowed us to pioneer the use of high-precision GPS technology to map bonebeds. Grant funds will go toward developing a Dinosaur Science Museum Internship Program for students interested in pursuing a graduate degree related to creation science.</p>		
22	Strong Tower Radio	\$10,000
<p>Grant funds will go toward upgrading and enhancing Strong Tower Radio’s existing studio to enable recording of multiple audio tracks concurrently. This will increase productivity and improve on-air recorded products. Additionally, fund will go toward constructing a new portable recording studio to allow for recordings at camp meetings, concerts, rallies, and more.</p>		
23	Three Angels Broadcasting Network (3ABN)	\$100,000
<p>3ABN seeks to present solid, biblically-based programming that continues to be visually appealing in a competitive market. The challenge with many programs is the time and effort put into the creation of sets, the lighting and placement in the studio, and the set storage when the project is completed. Over the last several years, 3ABN has produced more programming with our LED video wall, where we can completely change programs with the push of a few buttons. This efficiently utilizes 3ABN’s resources, while enabling us to produce more programming to reach the world with the three angels’ messages. Grant funds will go toward acquiring 400 LED panels for instant virtual TV backgrounds.</p>		
24	Vida Internacional	\$20,000
<p>Having run out of space on which to build more buildings, several years ago the decision was made to convert a one-story building into a two-story building. Currently, Vida Internacional lifestyle guests stay in the guest house and apartments while the second story is being completed. With the construction of the new living quarters, the lifestyle guests will have their own area for lodging, which will free up space for missionary families to live. Project funds will go toward helping finish housing construction for lifestyle guests.</p>		
25	Weimar Institute	\$60,000
<p>Due to the growing number of programs offered at Weimar College, it is imperative that we increase student housing. Project funds will go toward renovating an existing building into student housing for 28 to 42 students.</p>		

26	Wildwood Sanitarium, Inc.	\$50,000
<p>Wildwood Sanitarium’s spa building serves as an extension of their hydrotherapy facilities. It offers two dry saunas, two Jacuzzis, two contrast showers, a full-body whirlpool, a leg whirlpool, and a large area for our students to be taught and practice massage. Project funds will go toward updating and enlarging the sanitarium’s hydrotherapy area.</p>		
27	New Hope Center for Children and Handicapped	\$25,000
<p>New Hope Center for Children and Handicapped, headquartered in Ethiopia, will use grant funds to support three major activities: 1) Evangelistic work for both residential and nonresidential kids and the surrounding community, 2) Children’s basic necessities and services and, 3) Income generation for sustainability of the children’s basic necessities and services provision.</p>		
28	Madison Academy	\$8,200
<p>Grant funds will go toward an intentional campus-wide initiative designed to help Madison Academy students understand, experience, and share the three angels’ messages. Student leaders have already utilized the curriculum, authored by Sandy Doran, as the basis for the Madison Campus Church VBS program. Madison Academy’s deliberate plans for their campus, local, and global ministries center on revealing God’s love through the three angels’ messages. Their approach focuses on training in the 3AM curriculum, sharing the message, and reflecting on the experience to learn and support others.</p>

THE ANSWER TO CRIME IS CHRIST

Approximately 2.2 million men and women are incarcerated in the USA. Hundreds of thousands will be released this year! UPMI will be there to help the incarcerated and the newly released prepare for re-entry with the new 330KP Project. This Project will provide 330,000 incarcerated and formerly incarcerated individuals the tools to re-enter society as self-reliant, productive, and God-fearing citizens. UPMI, with the assistance of our new representatives, are forging new ground with Bible-based programs to reduce recidivism assuring that our brothers and sisters do not return to a life of hopelessness that ends in crime.

Carolyn Bland, UPMI co-founder

"I received my books today and I am truly elated. Thank you! I believe and have so much faith in the Lord Jesus Christ, in spite of my circumstances. I am blessed and know God loves me." **Marcus, inmate in Colorado.**

"I really enjoyed the Bible study you all offered. I heard that you all usually come here in person, but due to COVID-19 it's been a while. I was told because of this to mail my Bible study to you. I wanted to thank everyone at UPMI for being such a wonderful blessing and I pray for everyone of you during these troublesome times. If you all offer any other material, I would love to read it. Thank you again. Everyone said, hello and we miss ya!" **Brandon, inmate in Alabama.**
