President's Welcome

Hello, ASI family! We want to welcome you to the 2023 ASI convention, where we will continue our theme: "Revived to Witness. United. Transformed. Sent."

Our prayer is that we will contemplate this theme and these words as we experience this convention and beyond. Certain words in the theme will resonate with each of us in differing ways, but all the words are important. I think of Jesus as He was facing the cross and spent that last Thursday night in prayer with His disciples in tow. Do you remember it? His prayer is recorded in John 17 and it is striking because of its content. Verses 21-23 read: "that they all may be one, as You, Father, are in Me, and I in You; that they also may be one in Us, that the world may believe that You sent Me. And the glory which You gave Me I have given them, that they may be one just as We are one: I in them, and You in Me; that they may be made perfect in one, and that the world may know that You have sent Me, and have loved them as You have loved Me" (emphasis added).

Jesus is facing the cross and is concerned about unity. Why? Because only if we are unified will the world know something crucial—that indeed God sent Jesus to represent Him. The character of God will be revealed when we are united. So this theme is crucial and I believe given to us for these times in which we are living.

But "United" does not happen without the transforming power of the gospel, as we saw in our plenary sessions last year and will see again this year. The apostle Paul declared in 1 Corinthians 2:2: "For I determined not to know anything among you except Jesus Christ and Him crucified."

This is the message, that as we plumb its depths, and appropriate its meaning, we are transformed and revived. As we discovered last year, the disciples had a 50-day prayer and Bible study time in which the principles of the gospel were again rehearsed for them. Only when they understood and believed were they sent out filled with the Holy Spirit.

The servant of the Lord, Ellen White, in Acts of the Apostles, says this: "In these first disciples was presented marked diversity. They were to be the world's teachers, and they represented widely varied types of character. In order successfully to carry forward the work to which they had been called, these men, differing in natural characteristics and in habits of life, needed to come into unity of feeling, thought, and action. This unity it was Christ's object to secure. To this end He sought to bring them into unity with Himself. The burden of His labor for them is expressed in His prayer to His Father, 'That they all may be one; as Thou, Father, art in Me, and I in Thee, that they also may be one in Us;' 'that the world may know that Thou has sent Me, and hast loved them, as Thou hast loved Me.' John 17:21, 23. His constant prayer for them was that they might be sanctified through the truth; and He prayed with assurance, knowing that an Almighty decree had been given before the world was made... He knew that truth armed with the omnipotence of the Holy Spirit, would conquer in the battle with evil, and that the bloodstained banner would one day wave triumphantly over His followers" (Acts of the Apostles, p. 20).

Finally, they were safe to send out. And what was the result? "What was the result of the outpouring of the Spirit on the Day of Pentecost? The glad tidings of a risen Saviour were carried to the uttermost parts of the inhabited world. As the disciples proclaimed the message of redeeming grace, hearts yielded to the power of this message. The church beheld converts flocking to her from all directions. Backsliders

were reconverted. Sinners united with believers in seeking the pearl of great price. Some who had been the bitterest opponents of the gospel became its champions. The prophecy was fulfilled, 'He that is feeble ... shall be as David; and the house of David ... as the angel of the Lord.' Zechariah 12:8. Every Christian saw in his brother a revelation of divine love and benevolence. One interest prevailed; one subject of emulation swallowed up all others. The ambition of the believers was to reveal the likeness of Christ's character and to labor for the enlargement of His kingdom" (Acts of the Apostles, p. 48).

So we are here at this convention to hear from, cooperate with, and participate with God as He tries to wrap things up in this world of increasing sin, suffering, and lawlessness. We pray that this will not be a spectator event but rather one in which each of us will search our own hearts, meet with each other, and pray for one another. My prayer is that we will grow up into the full measure and stature of the grace of Christ so that we can be revived witnesses for Him, daily feeding from His every word. Fellowship with one another, attend the seminars, and prayerfully come to the plenary sessions. God has much in store for us this year!

Revived by His Spirit

Mark Finley

All genuine revivals are the result of the deep moving of the Spirit of God, which is based on the study of His Word. They are characterized by earnest prayer, heartfelt repentance, total surrender, and passionate witness. During this opening presentation, Pastor Finley will outline the steps that each one of us can take to experience genuine revival in our personal lives and in the life of the church. He will also address the difference between true and false revivals, exposing Satan's masterpiece of deception with Christ-centered, biblical truth.

Mark Finley and his wife, Ernestine "Teenie," have been a ministry team for over 40 years, dedicating themselves to preaching, teaching, conducting spiritual growth workshops, and leading over 100 evangelistic series worldwide. Their sermons have been translated into over 50 languages. Currently, Pastor Finley and Teenie are actively involved in ministry at the Living Hope School of Evangelism in Haymarket, Virginia.

United in Mission

Rick Remmers

In our mission collaboration, we will adopt a three-part approach. First, we will delve into biblical and Spirit of Prophecy guidance regarding the importance of united work. This will provide us with a solid foundation for our collective efforts. Second, we will examine practical applications and models that can be implemented to effectively put this guidance into practice. This step will enable us to translate theory into action. Lastly, we will tackle the challenges that may arise along the way, discussing strategies and solutions to overcome obstacles that may hinder our united work. Together, we will journey through these three stages, equipping ourselves for a successful mission endeavor.

Rick Remmers holds the position of assistant to the president at the NAD. Alongside his general responsibilities and committee assignments, he provides supervision for multiple departments and plays a crucial role in coordinating orientation and training events for conference presidents. Prior to his involvement with the NAD, Rick served in various leadership capacities, including pastor and conference president.

To expect a harvest, you must plant the seed! Jesus commissioned the Gospel message to be taken into the whole world.

Jesus also said, "The harvest truly is great, but the labourers are few"

The man that was given ten talents gained another ten for the Kingdom.

The man that was given five talents gained another five for the Kingdom.

But the man that was given one talent hid his in the ground, gaining nothing for the Kingdom.

We currently have a sponsor that has offered this ministry a matching donation of \$10,000. We need sponsors so that this donation can be doubled. Would you be willing today to donate towards this gift, and help plant the seed for harvest?

Green Means Go!

JoDee Shoffner & Cindy Rodriguez

Green means go! Together, we will explore how God gave the green light to Noah to build the ark and preach the "get ready" message to the people. Experience how God called little Samuel and gave him the green light to become a young prophet. Learn of many more stories of God calling His people and giving them the "green light" to share His messages! We will also learn how to listen to God's calling in our own lives through stories, songs, games, and crafts. Come join us!

JoDee Shoffner is an Elementary teacher, a musician, and an artist who loves working with children.

Cindy Rodriguez comes from Texas and has a delightful newborn girl. She is delighted to help out with the Kindergarten class once again this year.

God's Messengers

Rene & Skip Dodson

God has always empowered people He trusts to share important messages. Through Noah, Abraham, Moses, Joseph, Jesus, and Paul, we have been given many examples of how to witness! We are to be faithful with the messages God wants us to share with everyone around us. Primaries will "meet" with some of these Bible characters and be encouraged to share the good news of a Savior! They will also "travel" to parts of the world where missionary families live and discover ways others are reaching out to their neighbors and sharing God's love in creative ways. Together, we will learn to see opportunities everywhere and be courageous messengers for God!

Pastor Dodson and his wife, Renee, work tirelessly in service to their church and community. Trained as an Elementary teacher, Renee is also very gifted and involved in children's church programs. This is their 6th year serving the ASI Youth!

Junior Bartle 2215A

GOspel!

Christian & Heidi Martin

On your marks, get set, GO...yes, "go" as in GOspel! Our exciting theme this year is "GOspel Begins with GO!" Juniors everywhere are looking forward to the coming of Jesus, but the Bible tells us that the GOspel needs to go out into all the world first! Join us in an adventure as we discover the power of the GOspel and how to best share it. From fun crafts to great team-based challenges, we'll learn how to give a GOspel presentation and share good news with others. We'll also learn inspiring lessons from guest speakers and real-life missionaries. Get ready for lots of fun! Let's GO!

Pastor Christian Martin and his wife, Heidi, are delightfully enthusiastic about sharing Christ with young people in creative and fun ways. They come from North Virginia and have been serving in the Junior Department at ASI for the past 6 years!

Earliteen Bartle 2209

As the coming of Jesus gets closer and closer, God is calling young people everywhere to help finish His work here on Earth. As an Earliteen, YOU have been called! God has a special mission He wants you to fulfill! Join us as we bring the mission to life through different hands-on activities, projects, and interactive games. You will be challenged and you will have fun as you take hold of your calling!

We have incredible speakers who will share how they answered God's call and gave hope, joy, and salvation to a world full of sin and suffering. You won't want to miss out!

ASI SPECIAL OFFERING PROJECTS

The ASI Missions Inc. Board selected 32 projects to receive grants from the offering gathered at the 2023 ASI International Convention. The offering goal is \$1,611,000. Online donations are accepted toward this year's offering and previous years' pledges. Each project will receive the designated amount. Combined, the projects represent a significant worldwide impact. In the unlikely event that any of the listed projects do not progress within a reasonable time, as determined by ASI, at its discretion, ASI may redirect the funds from the failed project to another ASI-approved project. Below are the organizations to receive funding along with the planned use of project funds.

This year's ASI Offering overflow contributions will be used to fund three very important projects:

- 1. Ellen G. White Electronic Book Project (11)
- 2. OCI Missionaries for Unreached Regions (22)
- 3. One Day Church Roofs Over Africa (26)

ADVENTIST MEDICAL EVANGELISM NETWORK (AMEN)

\$25,000

Project funds will go towards creating fifteen spiritually-focused health videos, with thirteen short and two long entries. Utilizing cutting-edge scientific research, these videos demonstrate the link between physical and spiritual health, underscoring the significance of spiritual care in healthcare settings. They will be available online, enhancing accessibility through QR code-linked cards, allowing patients to revisit the content at home. These concise yet comprehensive videos also serve as effective materials for evangelistic meetings. A pilot video is accessible at amensda.org.

2 ALBERTA CONFERENCE OF SEVENTH-DAY ADVENTISTS CANADA

\$50,000

The project aims to construct a multi-purpose Mamawi Atosketan Centre (MAC) on the Maskwacis reserve, fostering Indigenous Adventist leadership and community-based church growth. Leveraging existing relationships with community leaders, the MAC will serve as a hub for collaboration between SDA personnel, Indigenous community leaders, and public health workers from Loma Linda University. The strategic on-reserve location will address accessibility issues and strengthen the trust base with the community, further bolstering Indigenous church growth.

3 ASAP MINISTRIES \$30,000

ASAP Ministries aims to empower local missionaries in Vietnam, focusing on the marginalized Hmong communities. Project funds will go towards supporting 34 Hmong church planters, providing them with training and necessary humanitarian aid. Working closely with the Vietnam Adventist Mission and the Hmong Adventist Global Network, the initiative strives to reach animist and Buddhist Hmong villages, contributing to the rapid growth of Hmong SDA churches.

4 ASI YOUTH FOR JESUS

\$80,000

Project funds will go towards funding the 2024 ASI Youth for Jesus program in Orlando, Florida. The project will facilitate a four-week field evangelism school for youth aged 15 and older. This immersive experience includes involvement in a multi-site evangelistic series, culminating in a presentation of their experiences during the ASI Convention. The outreach will operate at three locations in the greater Orlando area.

5 AUDIOVERSE \$25,000

AudioVerse aims to personalize their listeners' experience by leveraging metadata from their archive. Project funds will go towards developing algorithms that match refined data to user preferences, leading to individualized message delivery on their website and app. The result will be easier navigation, custom recommendations, and targeted ads for truth-seekers on the internet.

6 CHRIST FOR EUROPE \$100,000

ASI is excited to partner with Adventist World Radio (AWR), the world church, and ASI Europe to sponsor a continent-wide Christ for Europe outreach event. This evangelistic initiative involves hundreds of church leaders and other volunteers preaching in more than three dozen countries and 1,500 venues across Europe.

7 **BUILD & RESTORE INTERNATIONAL**

\$10,000

Build & Restore International is working to spread the gospel through physical evangelism in Mexicali, Mexico. Project funds will go towards renovating six existing churches and constructing a new one to accommodate a rapidly-growing congregation. This initiative involves a broad community, including youth mentorship, with over 4,000 people committed to providing hands-on support.

8 CHRISTIAN RECORD SERVICES, INC.

\$20,000

Project funds will go towards allowing Christian Record Services to produce Ellen G. White books in accessible formats, including braille and large print, for those experiencing vision loss. The project, planned over two years, is designed to benefit both SDA Church members and spiritual seekers, enabling access to important spiritual texts worldwide.

9 **CREATION ILLUSTRATED MAGAZINE, INC.**

\$25,000

Project funds will go towards supporting *Creation Illustrated* magazine in doubling its prison distribution from 26,400 to 52,800 inmates. Leveraging the transformative power of nature imagery and character-building lessons, the magazine seeks to inspire, empower, and restore faith amongst incarcerated individuals. The initiative aligns with their longstanding commitment to serving marginalized populations and fosters spiritual growth in both SDA and non-SDA Christian communities.

10 EDEN VALLEY INSTITUTE

\$75,000

Project funds will go towards supporting Eden Valley Institute in constructing at least six staff housing units within the next two years. This expansion is critical due to the continuous growth of their lifestyle, farm, and medical missionary training programs. The new accommodation will facilitate an increase in their volunteer team and will complement the existing housing provision in the dormitories and The Village.

11 ELLEN G. WHITE ESTATE ELECTRONIC BOOK PROJECT

\$100,000

Project funds will go towards joint Ellen G. White Estate (EGWE) projects designed to continue the translation and digitization of all EGW writings for free access online and internationally. The initiative also includes an ASI partnership to create a new evangelism website offering ASI books and evangelism resources globally.

12 **FOUNTAINVIEW ACADEMY**

\$33,000

Project funds will go towards supporting Fountainview Academy in establishing an online ministry center, manned by staff, volunteers, and students. The center will use a contact management system to facilitate answering Bible questions, handling prayer requests, and conducting Bible study lessons. It will integrate with YouTube, ministry websites, and social media platforms, enhancing public engagement and student involvement in ministry.

13 FUNDACIÓN SONRISAS DE JESUS

\$30,000

Project funds will go towards training 45 participants in medical missionary evangelism. These participants will include 10 senior theology students and 35 church members chosen by SDA conferences. Post training, these individuals will open centers of influence in six cities chosen by their conferences. They will provide health courses, Bible classes, and evangelistic meetings. The purpose of this work is to foster the formation of new churches.

14 **GENERATION. YOUTH. CHRIST.**

\$50,000

Project funding will go towards supporting GYC 2023 in Portland, Oregon, as well as a pre-conference ten-day mission trip, canvassing, refugee and homeless outreach, and a Build and Restore Project. Activities will also include packaging care items for prison inmates and a large-scale distribution of *The Great Controversy*.

15 HARTLAND INSTITUTE OF HEALTH & EDUCATION

\$50,000

Project funds will go towards helping complete an update of Hartland Institute's hydrotherapy department. This will be accomplished by purchasing new equipment, including treatment tubs and infrared saunas, and replacing dysfunctional windows and doors in the Wellness and Education Center to improve the facility's usability and comfort.

16 IMPACT HOPE \$40,000

Project funds will go towards an initiative to deliver a two-month summer vocational training program for at-risk Congolese and Rwandan refugee teens. The goal is to equip these youth with marketable skills such as plumbing, culinary arts, IT, and more, enabling them to earn an income, become self-sufficient, and avoid the perils of refugee camp life.

17 INTERNATIONAL CHILDREN'S CARE

\$25,000

Project funds will go towards the construction of a safe, stable boat dock and a shelter for the Patmos Island Children's Village in the Democratic Republic of Congo. This infrastructure is crucial for the safe transportation of orphaned children, staff, and supplies from the mainland city of Goma, thereby mitigating potential injuries during boarding or disembarking.

18 ISEI EDUCATION ASSOCIATION

\$18,000

Project funds will go towards expanding ISEI's support to international self-supporting Adventist educational ministries, enabling accreditation for their unique work/study curriculum. It will provide membership fee subsidies to schools who can't afford them, promoting Adventist education through the US-based National Council for Private School Accreditation, recognized globally.

19 KUDA VANA PARTNERSHIP

\$25,000

Project funds will go towards extending Kuda Vana Partnership's Family Program Project in Zimbabwe, which focuses on safe-family reunification, fostering, and local adoptions over traditional orphanage models. This expansion will involve training, education, advocacy, outreach, staffing, and technology to build families rather than raise orphans, enhancing the lives of orphaned and abandoned children.

20 **LIGHT** \$150,000

Project funds will go towards assisting LIGHT in expanding its international medical missionary program by increasing its teaching staff and facilitating training sessions worldwide, particularly in unentered areas of the Peruvian Amazon River Basin. The funds will also be utilized to provide basic training materials for LIGHT courses and support community outreach initiatives.

21 MARANATHA Z.S. \$25,000

Project funds will go towards supporting a 2023 Youth for Jesus, youth-led evangelism program in the Czech cities of Olomouc and Mohelnice. The project aims to stimulate evangelism in two local churches, train and involve 100-120 youth in the evangelistic campaign, and reach out to the local community with the gospel. The initiative aims to win souls and foster a lifelong commitment to ministry among the youth.

22 OCI - MISSIONARIES FOR UNREACHED REGIONS

\$75,000

Project funds will go towards training and placing 100 self-supporting missionaries within the 10/40 window, particularly targeting regions with minimal Seventh-day Adventist Church presence. These missionaries, closely matching the language, culture, and background of the target regions, will focus on areas in the Middle East and North Africa, which comprise 21 countries with over 570 million people. The project underscores the need for lay people's engagement in these underserved areas.

23 ASI/OUTPOST CENTERS INTERNATIONAL — EAP

\$50,000

The Educational Assistance Plan (EAP), an ASI project managed by OCI, aids children of OCI institutional staff and mission-driven students in furthering their education. Project funds will go towards educating supporting missionaries' children for future mission service. Following their education, these students are urged to serve with an OCI ministry. The EAP contributes significantly to staff retention in the long term. Applicants undergo thorough screening to ensure a high return on investment.

24 ASI/OUTPOST CENTERS INTERNATIONAL — MAP

\$125,000

The Missionary Assistance Plan (MAP), an ASI project managed by OCI, supports OCI missionaries transitioning from developed to developing countries by offering a monthly stipend. Project funds will go towards supporting "expat" missionaries facing unique expenses such as furlough/emergency travel and dependents' tuition. Individual missionaries receive \$100/month and families get \$200/month with additional support for furlough expenses. This plan currently benefits 51 missionaries, ensuring their basic needs are met.

25 RIVERSIDE FARM INSTITUTE

\$50,000

This project aims to enhance the living conditions of key workers serving in Africa by finalizing the construction of one staff home and tiling the roofs of six existing homes. These homes, aged between 25-45 years, require significant upgrades or replacements. By improving housing conditions, we can ensure continuity of staff and leadership, contributing to the growth and stability of our various outreach and education projects.

26 ONE DAY CHURCH - ROOFS OVER AFRICA

\$30,000

Over the past 30 years ASI has supported the Roofs over Africa project which has provided roofing materials for 11,000 churches. There is an ongoing need for new churches in Africa due to the continuous spread of the Adventist message on that continent. For only \$1,000 we can provide the roofing materials for a congregation to finish their new church construction.

27 SHALOM ADVENTURE \$25,000

Project funds will go towards allowing Shalom Adventure to produce a second season of thirteen half-hour programs for Hope Channel. The *Shalom Adventure* online magazine, an NAD outreach strategy targeting Jewish people, has over 100,000 visitors to its site each year. The magazine's first season was positively received by Jewish people, Messianics, and Evangelicals across multiple streaming platforms, underpinning the need for further content.

28 **SHAREHIM \$25,000**

Project funds will go towards ShareHim's 2024 young evangelist program aimed at reviving young SDA adults and engaging them in transformative witnessing and evangelism experiences. The model fosters mentoring relationships between pastors and young adults, encouraging their active involvement in ministry and leadership within their home churches. The program is aligned with the 2023 ASI convention's theme of unity, transformation, and active witnessing.

29 **SOUTHWESTERN ADVENTIST UNIVERSITY (2 PROJECTS)**

\$40,000

Project 1: Funds will go towards offsetting the cost for students to engage in a four-week dinosaur excavation experience along with a lecture series on dinosaurs and origins. Students will also receive academic credit. The program will help strengthen faith in a literal Creation account and introduce digital techniques for studying fossil deposits.

Project 2: ASI funding will go towards enabling Dr. Art Chadwick, a retired leading SDA authority on creation, the flood, and dinosaur theories, to continue his research, writing, and presentations on creation and flood science. His long-standing dinosaur excavation project has resulted in a significant collection of dinosaur bones housed at the SWAU museum.

30 THREE ANGELS BROADCASTING NETWORK

\$125,000

Project funds will go towards aiding 3ABN in upgrading their cameras and lenses to record off-site events like evangelistic series or conventions. The current remote cameras are no longer manufacturer-supported and the Standard Definition lenses are wearing out. Upgrades to newer cameras with High Definition lenses are vital to ensure the continuation of high-quality, on-location programming.

31 WATER FOR LIFE INTERNATIONAL

\$30,000

Project funds will go towards drilling three new wells in 2023 for impoverished communities in remote villages in Petén, Guatemala. With rising expenses due to the current economic climate and the need for better equipment, funding is crucial to carry forward this life-changing operation.

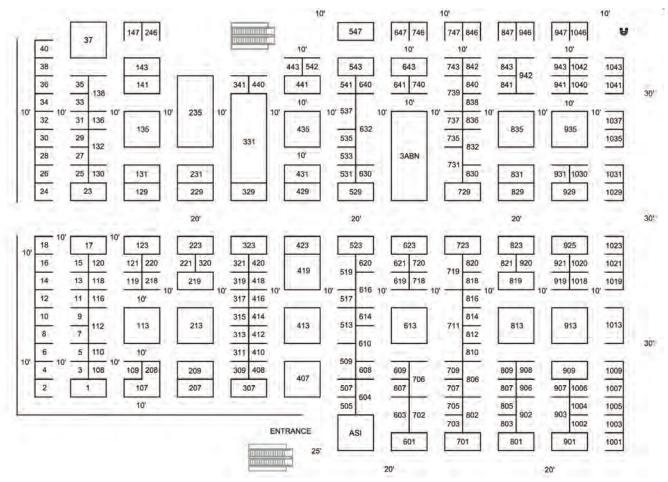

32 WILDWOOD HEALTH INSTITUTE (NATURAL FOOD MARKET)

\$50,000

Project funds will go towards remodeling Wildwood's natural food market, a community cornerstone that has been providing healthy food and natural medicine for over 40 years. The renovation entails replacing exterior siding with cement board and conducting necessary roof repairs to ensure the market's continued service and growth.

About a Boy Named Young: Our Origin Story

Young Banda was suffering with joint pain, tiredness, Rheumatic Fever, and malnutrition. In the spring of 2022, he was admitted to Malamulo Adventist Hospital with severe heart failure and Rheumatic Heart Disease.

A divine appointment with Charlene Wang, a young medical student from Loma Linda University and Doctor Arega Fekadu Leta, a Loma Linda trained Heart surgeon in Kenya, Young was able to have a much needed surgery in July of 2022.

But what if there had been no one to care? What if that care was so far out of reach that the very thought of it was a cruel dream?

This is the reality for far too many in sub-Saharan Africa. The story of Young Banda touched our hearts for the hearts of others.

Hearts 4 Mission International was founded because we wanted to do something for the other kids out there with failing hearts that had no access to cardiology or surgery.

We plan to do this one heart at a time.
